## KENYA MISSION RESCUE

LHCF supports a group of young girls from the Maasai tribe in Kenya. The laws in Kenya make female circumcision illegal, but the Maasai tribe continues to practice this and marry girls off as young as 8 years old. Cost is approximately \$35 per month with \$15 per month for books, school supplies, hygiene products, and uniforms. When the schools let out in November, we help pay for a safe house for the girls to stay in until school resumes in January. If you are able to support a girl monthly or would like to make a donation make checks out to LHCF with Mission Rescue in the memo line. Contact Jan or Matt Abbott at 810-499-4422 (Jan).

## DAY OF THE CHRISTIAN MARTYR

According to church tradition, **June 29** marks the martyrdom of the Apostle Paul. This year, Christians around the world will take time on June 29 and throughout that weekend to honor the legacy of those who have sacrificed their lives for the advancement of the gospel. This year John Chau is being honored. As a teenager, John Chau sensed God's calling to take the gospel to the people of North Sentinel Island. For nine years, he prepared himself to go to the island, live among the people, learn their language and share Christ with them. John knew the risks. He knew the Sentinelese had been violent toward visitors before, but he also knew God had called him to go. On Nov. 15, 2018, John made first contact with the Sentinelese. Later that day, a Sentinelese boy shot an arrow at John that lodged in the Bible he was holding. John retreated and prayed for wisdom. Should he keep going? Should he turn back?

On the morning of Nov. 17, the fishermen who had dropped John off saw tribesmen burying John's body on the beach.

"I believe that the measure of success in the kingdom of God is obedience," John said shortly before his death. "I want my life to reflect obedience to Christ and to live in obedience to Him. I think that Jesus is worth it. He's worth everything."
